

St. Mary The Virgin, Ticehurst

ST MARY'S TICEHURST

EXPECTATION FOR THOSE WHO VOLUNTEER OR WORK AT ST MARY'S

We welcome everyone to our Church.

We strive to bring people together, to help each other, to work together in the community, and to find friendship and peace. We aim to promote spiritual wellbeing and caring in the Parish through the power of God.

We strive to be a church that listens and learns from each other.

As a volunteer or employed worker of the church we appreciate the time that you are giving. In your role it is vital that pastoral encounters should demonstrate respect, should be safe, and should respect the boundaries of appropriate behaviour.

If anyone does not respect these boundaries they will be asked to leave their role.

Safeguarding is a priority at St Mary's Church.

We are committed to following government guidelines on safeguarding children and vulnerable adults.

We work to a formal Diocese of Chichester safeguarding policy which is displayed in the church and a copy is in the parish office.

If you have any concerns regarding the safety or welfare of a child or vulnerable adult you can speak to:

Revd Ashley Evans (Vicar) or Frances Harris (Parish Safeguarding Officer).
